THE YOUNG SOLDIER.

Look at this young ensign, how fine he looks with his banner and his sword. Wouldn't you like to be a soldier? to fight for your country?

THE YOUNG SOLDIER.

This soldier has got leave of absence for a few days, and has joined a party of hunters. Here he is with his horn, whip, cap, and dog.

THE YOUNG SOLDIER.

Here is an old Turkish officer, who is just going to fight; see he has drawn his sabre, and is holding out his shield to defend himself. 3

THE YOUNG SOLDIER.

This is a soldier returning from the hunt, as it is time for him to join his regiment; which has received orders to march to another barracks. 4
